Israel striked Iran, and again kills innocents

Israel launched airstrikes against Iran, claiming military targets were hit, but these attacks resulted in mass civilian casualties[1]

Reports indicate a residential building in Tehran was hit, killing around 60 civilians, including approximately 20 children.[2] Iranian state media confirmed at least 78 dead and more than 300 injured, with the UN ambassador emphasizing "the overwhelming majority" were civilians.[3] Satellite and hospital data suggest at least six nuclear scientists and 20 senior commanders died alongside dozens of non-combatants.[4]

Despite claims of precision, attacks struck ordinary buildings and hotels, far from declared military sites. The strike killed entire families sheltering in their homes, indicating a disregard for the principle of civilian immunity.[5]

International organizations, including the UN, have raised alarm about unlawful strikes on civilian and nuclear facilities.[6] They say that targeting non-combatants undermines international law and may constitute a war crime.

Moreover, the casualties have fueled public anger in Iran, strengthening regime narratives instead of weakening them.[7] The attacks also jeopardize diplomatic efforts, as Iran halted indirect nuclear talks with the U.S. following the strikes.[8]

Western governments have urged restraint, warning that these actions risk widening the conflict to a regional or even global level. In focusing on military symbolism and perceived deterrence, Israel appears to have sacrificed civilian safety and legal norms.[9]

Iran now has retaliated, sending thousands of rockets into Israel. Around the world, many cheer Iran as if it is a hero standing up for Palestine. Yes, Iran has done what no one else

dared to do against Israel. But how can anyone ignore the **horrific crimes Iran and its Shia militias have committed against innocent Sunnis in Iraq and Syria?** Who allowed Russia's invasion of Syria? It was the Iranian Shia militias who paved the way for Russian troops, strengthening Assad's brutal regime and crushing the hopes of millions of Sunnis.

In Iraq, the Iranian-backed Shia militias have slaughtered **countless Sunni men, women, and even babies**. They burned children named Umar and Uthman alive, mocking their fathers and sending them their charred remains. This is not just sectarian violence; it is a systematic campaign to erase Sunni identity and dominance in the region, carried out with Iran's blessing and direct support.

The truth is clear and undeniable: the Shia are not simply a sect within Islam but a political movement deeply tied to external enemies of the Muslim Ummah. They have historical and ongoing alliances with Jewish interests that go beyond mere coincidence.

Ibn Saba' was the first person to believe in the divine appointment of 'Ali radiya Llahu 'anhu and Raj'ah, and Ibn Saba' was a Jew. These ideas went on to become the core principles of Shi'ism. It is for this reason that al Qummi, al Nowbakhti and al Kashshi (who were among the classical Shia scholars) have indicated towards this, after gathering and reviewing the ideas of Ibn Saba' which were later 'elevated' to the degree that they became the founding principles of Shi'ism. They state:

فمن هنا قال من خالف الشيعة ان اصل الرفض ماخوذ من اليهودية

"This is why those who oppose the Shia say that the origin of Rafd is Judaism."[10]

Secondly, there is a degree of resemblance between the foundations of Judaism and Shi'ism. Perhaps the first and most encompassing statement that was pronounced regarding this is that which is reported from al Sha'bi. Ibn Hazm indicates to a portion thereof. He says:

هؤلاء الرافضة يسيرون على نهج اليهود الذين يعتقدون ان الياس وفنحاس ابن عزر ابن هارون عليهما السلام على قيد الحياة الى هذا اليوم

"These Shia are treading the path of the Jews who believe that Ilyas 'alayh al Salam and Fanhas ibn al 'Azar ibn Harun 'alayh al Salam are alive up until today."[11]

Furthermore:

الرافضة في غلوهم وجهلهم واتّباعهم الأهواء يشبهون اليهود في بعض الأمور والمسيحيين في بعض الأمور

"The Shia in their extremism, ignorance, and following of desires resemble the Jews in certain aspects and the Christians in other aspects."[12]

The Shia state of Iran, led by the clerical elite, has cultivated covert ties with Zionist elements to weaken Sunni power in the Middle East.

Evidence of this alliance is abundant:

1. Covert Ties Post-1979

Despite the Islamic Republic's official animosity (labeling Israel the "Little Satan"), Iran maintained secret trade and diplomatic backchannels with Israel immediately after the 1979 revolution[13]

2. Regime Survival Over Ideology

Faced with invasion by Iraq in 1980 and broader isolation, Iran pragmatically resumed covert relations with Israel (and not the U.S. or USSR) to secure arms and advisers—helping preserve the fledgling regime[14]

3. Arms Deals Amid War

- In 1983, Israel sold over $100 million in arms to Iran.
- By 1985, hundreds of shipments of U.S.-made weapons passed through privately chartered Israeli-linked carriers to Bandar Abbas.
- Israeli military instructors reportedly trained IRGC commanders[15]

4. Tactical, Not Ideological

Israel continued cooperation believing Khomeini's anti-Israeli rhetoric was a cover, anticipating Iran would eventually realign[16]

5. High-Level Israeli Statements

- In 1982, Ariel Sharon announced continued arms sales to Iran despite U.S. objections.
- In 1987, IDF Minister Yitzhak Rabin said, "Iran is Israel's best friend," underscoring strategic reassurance[17].

Historically, the Shia movement originated from political factions opposing the rightly guided Caliphs, with ideological roots connected to groups that opposed the Prophet's companions such as Umar ibn al-Khattab and Uthman ibn Affan, names now deliberately targeted in sectarian violence by Shia militias. This is not just a theological difference but a violent political conspiracy designed to fracture and weaken the Muslim Ummah.

The Shia alliance with Jewish interests is no secret; it is a strategic partnership forged in the shadows to undermine Sunni Muslims from within. This is why Shia militias in Iraq and Syria kill Sunnis mercilessly and why Iran supports Israel indirectly while publicly posturing as its fiercest enemy.

Sunni Muslims must open their eyes to this reality, reject the deception, and unite against this internal threat. The Shia project is a danger to the entire Ummah and must be confronted decisively to restore the honor and unity of Islam.

And Allah said;

والمؤمنون والمؤمنات بعضهم أولياء بعض يأمرون بالمعروف وينهون عن المنكر ويقيمون الصلاة ويؤتون الزكاة ويطيعون الله ورسوله أولئك سيرحمهم الله إن الله عزيز حكيم

The believers, both men and women, are allies unto one another; they order what is right and forbid what is wrong; they keep up the prayer and pay the prescribed alms; they obey Allah and His Messenger. Allah will give His mercy to such people: Allah is almighty and wise.[18]

إنما وليكم الله ورسوله والذين آمنوا الذين يقيمون الصلاة ويؤتون الزكاة وهم راكعون

ومن يتول الله ورسوله والذين آمنوا فإن حزب الله هم الغالبون

Your true allies are Allah, His Messenger, and the believers– those who keep up the prayer, pay the prescribed alms, and bow down in worship. Those who turn for protection to Allah, His Messenger, and the believers [are the party of Allah]*: The party of Allah is sure to triumph.*[19]

وَكَذَٰلِكَ جَعَلْنَا لِكُلِّ نَبِيٍّ عَدُوًّا شَيَـٰطِينَ ٱلْإِنسِ وَٱلْجِنِّ يُوحِى بَعْضُهُمْ إِلَىٰ بَعْضٍ زُخْرُفَ ٱلْقَوْلِ غُرُورًا ۚ وَلَوْ شَآءَ رَبُّكَ مَا فَعَلُوهُ ۖ فَذَرْهُمْ وَمَا يَفْتَرُونَ ١١٢

And so We have made for every prophet enemies—devilish humans and jinn—whispering to one another with elegant words of deception. Had it been your Lord's Will, they would not have done such a thing. So leave them and their deceit,[20]

so that the hearts of those who disbelieve in the Hereafter may be receptive to it, be pleased with it, and be persistent in their evil pursuits[21]

Prophet Muhammad ﷺ said;
أَعَاذَكَ اللَّهُ يَا كَعْبَ بْنَ عُجْرَةَ مِنْ إِمَارَةِ السُّفَهَاءِ قَالَ: وَمَا إِمَارَةُ السُّفَهَاءِ؟ قَالَ: أُمَرَاءُ يَكُونُونَ مِنْ بَعْدِي لَا يَهْتَدُونَ بِهَدْيِي وَلَا يَسْتَنُّونَ بِسُنَّتِي، فَمَنْ صَدَّقَهُمْ بِكَذِبِهِمْ وَأَعَانَهُمْ عَلَى ظُلْمِهِمْ، فَأُولَئِكَ لَيْسُوا مِنِّي وَلَسْتُ مِنْهُمْ وَلَا يَرِدُونَ عَلَيَّ حَوْضِي، وَمَنْ لَمْ يُصَدِّقْهُمْ بِكَذِبِهِمْ وَلَمْ يُعِنْهُمْ عَلَى ظُلْمِهِمْ فَأُولَئِكَ مِنِّي وَأَنَا مِنْهُمْ وَسَيَرِدُونَ عَلَيَّ حَوْضِي

“O Kaʿb ibn Ujrah, may Allah protect you from the rule of the foolish.”
He asked, “What is the rule of the foolish, O Messenger of Allah?”
He replied: “They are rulers who will come after me; they will not be guided by my guidance nor follow my Sunnah. Whoever believes their lies and aids them in their oppression, then they are not from me, and I am not from them—and they will not drink from my Hawd (the Pool). And whoever does *not* believe their lies and does *not* help them in their injustice, then they are from me, and I am from them—and they *will* drink from my Hawd.”

أَبُو هُرَيْرَةَ رَضِيَ اللَّهُ عَنْهُ قَالَ: قَالَ رَسُولُ اللَّهِ ﷺ: «تَأْتِي سِنُونَ خِيَانَةٍ يُصَدَّقُ فِيهَا الْكَاذِبُونَ وَيُكَذَّبُ فِيهَا الصَّادِقُونَ، وَيُؤْتَمَنُ فِيهَا الْخَائِنُونَ وَيُخَوَّنُ فِيهَا الْأَمِينُونَ، وَيَتَكَلَّمُ فِيهَا الْوَضِيعُ.» قِيلَ: وَمَنْ الْوَضِيعُ؟ قَالَ: «الرِّجَالُ الْوُضَعَاءُ عَلَى الصَّعِيدِ.»

Abu Huraira reported: The Messenger of Allah ﷺ, said, “**Years of treachery will come to people in which the liars are believed and the truthful are denied, the deceitful are trusted and the trustworthy are considered traitors, and the disgraceful will deliver speeches**.” It was said, “Who are the disgraceful?” The Prophet said, “**Petty men with authority over the common people**.”[22]
