

102 Ramadans Without a Khalifah: Wake Up or Die as Cowards

Talha Ibn Yusuf Al Hanafi
23 Cemaziyelahir, 1447

A Call to the Ummah That Has Forgotten the Mother of All Obligations, *As-salamu alaykum, O my brothers and sisters in Islam.*

IN 66 DAYS, RAMADAN RETURNS

In 66 days, we will fast again.

We will pray taraweeh again.

We will read Quran again.

We will make dua again.

We will cry in our night prayers again.

We will beg Allah for forgiveness again.

We will compete in good deeds again.

But we will forget something again.

We will forget the MOTHER OF ALL OBLIGATIONS.

We will enter the 102nd Ramadan without a Khalifah.

102 RAMADANS OF HUMILIATION

Do you understand what this means?

102 Ramadans where Palestinian mothers watched their children die and had no Khalifah to avenge them.

102 Ramadans where our brothers were tortured in Guantanamo Bay, sodomized in Abu Ghraib, electrocuted in Israeli prisons—and had no Khalifah to rescue them.

102 Ramadans where Muslim blood was spilled from Bosnia to Burma to Baghdad—and no Islamic State existed to stop it.

102 Ramadans where Al-Aqsa was desecrated, Gaza was bombed, Syria was destroyed, Kashmir was occupied, Xinjiang was turned into a concentration camp—AND WE HAD NO KHALIFAH TO DEFEND US.

102 years of weakness!

102 years of humiliation!

102 years of DISGRACE!

The scholars of Ahl us-Sunnah have CONSENSUS—IJMA—that the Khilafah is FARD! Not recommended. Not preferred. OBLIGATORY! Yet here we are: 102 years without it. 102 Ramadans making dua while ignoring the FARD that would answer our duas!

THE HYPOCRISY THAT DESTROYS US

We cry for Palestine in our prayers, then support the nation-state system that murdered Palestine!

We beg Allah to help Gaza, then defend the tawaghit rulers who blockade Gaza!

We read the Quran about unity, then preach loyalty to artificial borders drawn by the kuffar!

We make dua for the Ummah, then reject **the only system** that can save the Ummah!

THIS IS HYPOCRISY! THIS IS DELUSION! THIS IS DESTROYING US!

WHY DO THEY REJECT KHILAFAH? BECAUSE IT'S EASIER TO WORK IN THE SYSTEM!

You know why people defend the nation-states? You know why they make excuses for the tawaghit? You know why they reject Khilafah even when the scholars declare it FARD?

BECAUSE IT'S EASIER FOR THEM TO WORK IN THE SYSTEM THAN WORK FOR KHILAFAH!

Working in the system means:

- Keep your comfortable job
- Keep your government position
- Keep your social status
- Keep your safety

- Keep your wealth
- Don't rock the boat
- Don't challenge authority
- Don't sacrifice anything

Working for Khilafah means:

- Risk your job
- Risk your reputation
- Risk being called "extremist"
- Risk government surveillance
- Risk persecution
- Risk losing everything
- Sacrifice comfort for truth
- Challenge the entire system
- ACTUALLY WORK for change

So they choose the EASY path!

They choose to work WITHIN a system that has failed for 102 years rather than work FOR the system that succeeded for 1300 years! They choose COMFORT over FARD! They choose SAFETY over TRUTH! They choose DUNYA over AKHIRAH! And they call it "pragmatism"! They call it "realism"! They call it "moderate Islam"!

NO! It's called COWARDICE! It's called selling your Islam for temporary comfort! It's easier to vote in elections that change nothing than to work for Khilafah that would change everything! It's easier to trust Saudi Arabia to save Palestine than to do the hard work of building Islamic unity! It's easier to believe the system can be reformed than to admit it must be REPLACED!

But EASY doesn't mean RIGHT! The Sahaba didn't choose the EASY path, they chose the TRUE path, and Allah granted them VICTORY because they chose DIFFICULTY over COMFORT!

TO THOSE WHO BELIEVE IN NATION-STATES: FEAR ALLAH!

Listen carefully:

If you believe that Saudi Arabia will save Palestine: FEAR ALLAH!

If you believe that Turkey will liberate Al-Aqsa: FEAR ALLAH!

If you believe that Egypt will break Gaza's siege: FEAR ALLAH!

If you believe these artificial states created by kuffar can deliver what the Khilafah delivered: FEAR ALLAH!

You are living in a DREAM! A deadly dream! A dream that will haunt you on Yawm al-Qiyamah when Allah asks you:

"*What did you do while My religion was humiliated?*"

"*What did you do while Muslims were slaughtered?*"

"*What did you do while the Fard of Khilafah was abandoned?*"

And you will say: "*I trusted Saudi Arabia. I believed in the nation-state system. I thought we could work within the system.*" AND ALLAH WILL SAY: "*Did you not see what they did? Did you not see 102 years of failure? DID YOU NOT USE YOUR INTELLECT?*"

This dream you live in, **it will become your NIGHTMARE in the grave, your TORTURE on Judgment Day!**

HAVE YOU NOT SEEN WHAT THE TAWAGHIT HAVE DONE?

Open your eyes or admit you choose to be blind!

What has Saudi Arabia done for Palestine?

"Oh, they give millions in aid!"

MILLIONS?! They give BILLIONS to America every year! Billions for American weapons! Billions in American banks! They host American military bases on the land of the Two Holy Mosques! They normalize with Israel in secret while pretending to care! They built NEOM, they built stadiums, they built entertainment cities WHILE GAZA DOESN'T HAVE CLEAN WATER! MBS spends billions on his personal pleasures while Palestinian children drink polluted water and die!

This is your "Muslim leader"?! FEAR ALLAH!

The UAE didn't just betray Palestine, they CELEBRATED the betrayal! They signed the Abraham Accords with a SMILE!

They hosted Israeli officials with RED CARPETS! They opened embassies, they made business deals, they brought Israeli tourists to Dubai, all while Gaza was bombed!

And what else does the UAE do? They are the architects of Sudan's genocide! 10 million Sudanese people are starving, WHO CAUSED IT? THE UAE! They arm warlords, they fund militias, they destroy Muslim nations for profit!

This is your "moderate Muslim country"?! FEAR ALLAH!

And Turkey, the barking dog? Erdogan talks. Oh, how he TALKS!

He condemns Israel! He hosts Palestinian conferences! He gives passionate speeches!

But what does he DO? TURKEY TRADES WITH ISRAEL! Billions in trade EVERY YEAR! Turkish ports receive Israeli ships! Turkish pipelines carry Israeli gas! Turkey remains in NATO, the very alliance that protects Israel!

Erdogan is like a dog on a leash, Israel holds the leash! The dog can BARK loudly to make the owner look merciful: "*See, I let my dog bark!*" But the leash ensures the dog NEVER BITES! That is Turkey today, **ALL BARK, NO BITE!**

You think this is leadership? This is THEATER! This is DECEPTION!

THE NORMALIZATION THAT PROVES THEIR BETRAYAL

In the last few years, Muslim countries have normalized with Israel:

- UAE (2020) — Abraham Accords
- Bahrain (2020) — Abraham Accords
- Sudan (2020) — Forced normalization while country collapsed
- Morocco (2020) — Sold Palestine for Western Sahara recognition
- Saudi Arabia — Secret normalization, public coming soon

THEY SOLD PALESTINE FOR DEALS WITH AMERICA!

They sold Al-Aqsa for F-35 fighter jets! They sold Muslim blood for trade agreements! They sold their Akhirah for Dunya!

WHAT KIND OF FOOLS MUST WE BE TO TRUST THEM?

After 102 years of betrayal, we still defend them? After watching them collaborate with our enemies, do we still make excuses for them? After seeing them normalize with the Zionist entity, we still call them "Muslim leaders"?

WHAT KIND OF FOOLS ARE WE?!

They have shown you who they are! Believe them! They are NOT on your side! They are NOT on Palestine's side! They are on THEIR OWN side, and their side is with whoever keeps them in power!

Brothers and sisters, we have TWO paths:

PATH 1: Continue As We Are

Keep believing in the nation-states. Keep defending the tawaghit. Keep making dua while ignoring the Fard. Keep fasting in Ramadan while forgetting the Mother of Obligations. Keep working IN the system because it's EASIER than working FOR Khilafah!

RESULT:

- Ramadan 103 without Khalifah
- Ramadan 104 without Khalifah
- Ramadan 150 without Khalifah
- Palestine completely erased
- Al-Aqsa destroyed
- Muslim lands colonized forever
- Ummah humiliated until Qiyamah

We die as COWARDS. We are remembered as the generation that WATCHED Islam die and did NOTHING.

PATH 2: Rise Like Lions

REJECT the nation-state system! REJECT the tawaghit! REJECT the normalization! REJECT the easy path of working IN the system! WORK for the Khilafah, the ONLY system that can save us! Even if it's DIFFICULT! Even if it costs you! Even if people call you extremist!

RESULT:

- We fulfill the Fard our scholars commanded
- We restore Muslim dignity
- We liberate Palestine
- We protect our brothers and sisters
- We become like Salahuddin
- We become like Omar
- We become like the Sahaba who CHANGED THE WORLD

We die as LIONS. We are remembered as the generation that REVIVED Islam when everyone said it was impossible.

This is a choice between JANNAH AND JAHANNAM! This is a choice between BEING JUDGED WORTHY or BEING JUDGED COWARD! This is a choice between STANDING BEFORE ALLAH with honor or with SHAME!

IMAGINE THE DAY OF JUDGMENT, You stand before Allah.

He shows you images of Gaza:

- The mother drowning in a flooded tent
- The child with no legs begging for food
- The family buried under rubble
- The prisoners tortured in Israeli dungeons
- Al-Aqsa burning

And Allah asks you:

"*You fasted. You prayed. You read Quran. But what did you DO for them?*"

"*You saw 102 Ramadans without Khilafah, did you work to re-establish it?*"

"*You saw the tawaghit betray them, did you oppose the tawaghit?*"

"*You saw the nation-states were the PROBLEM did you reject the nation-states?*"

"*Or did you choose the EASY path? Did you work IN the system because it was comfortable? Did you defend the tawaghit because opposing them was difficult?*"

"*Or did you defend the system that murdered them? Did you make excuses for the traitors? Did you call those who worked for Khilafah 'extremists'?*"

WHAT WILL YOU SAY?

THE CLOCK IS TICKING

66 days until Ramadan.

66 days to change your path.

66 days to decide: Will you be part of the SOLUTION or part of the PROBLEM?

Because there is no middle ground anymore.

Either you work for Khilafah, or you support the system that prevents it.

Either you oppose the tawaghit, or you enable them.

Either you choose the DIFFICULT path of truth, or the EASY path of comfort and betrayal.

Either you prioritize the FARD, or you abandon it.

This is the reality:

We ACT now, Or history writes that we were the generation that WATCHED Islam die. We RISE now, or we become footnotes in history books: "*The Muslims of the 21st century did nothing while their Ummah was destroyed.*"

We WORK for Khilafah now, or we face Allah having abandoned the Mother of Obligations for comfort, for safety, for fear of what people think.

RAMADAN 102 OR RAMADAN 1?

You have a choice this Ramadan:

Will it be Ramadan 102 without Khilafah, another year of humiliation, another year of excuses, another year of watching Palestine die, another year of choosing the EASY path?

Or will it be Ramadan 1 of the NEW ERA, the year we committed to restoring the Khilafah, the year we rejected the tawaghit, the year we chose the DIFFICULT path of truth, the year we STARTED THE WORK even if completion takes time?

Which Ramadan will you choose?

FINAL CALL

O Muslims! Wake up or die as cowards!

102 Ramadans is ENOUGH!

How many more Ramadans will you fast while ignoring the Fard? How many more children must die before you admit the system is the problem? How many more traitor-rulers must betray you before you reject them? How many more times must Allah show you the solution before you accept it? How long will you choose the EASY path of working IN the system over the TRUE path of working FOR Khilafah?

The Khilafah IS THE ONLY SOLUTION

Will you be part of the generation that RESTORED Islam's glory? Or the generation that WATCHED it die while choosing comfort over duty?

CHOOSE NOW!

Because Ramadan is coming, and Allah is watching, and History is recording, and Judgment Day is approaching.

102 Ramadans without a Khalifah is 102 years too many.

Make this Ramadan different. Make it the LAST Ramadan without commitment to the Fard. Choose the DIFFICULT path of truth over the EASY path of comfort.

Rise like lions, or die as cowards.

The choice is yours.

Choose wisely. Choose NOW.

As-salamu alaykum wa rahmatullahi wa barakatuh.

(IMPORTANT NOTE: This article calls for the re-establishment of the Khilafah as a religious obligation based on Islamic scholarship and the consensus of classical scholars. We do not support, endorse, or affiliate with any organization, group, or entity, violent or non-violent. We do **not support terrorism, violence against civilians, or any actions that contradict Islamic principles of justice.** This is a call for ideological awakening and working through **legitimate means** for Islamic unity and the restoration of dignified Islamic governance.)
