They Delete Us Because They Fear the Truth

Talha Ibn Yusuf Al Hanafi

My account got blocked today. Over 600 followers. Gone. Just like that. TikTok did not even tell me what I did wrong. No explanation. No warning. Just deleted.

But we know why. After the Jews bought TikTok, everything changed. From that day on, the accounts of the brothers, the accounts of the muwahhideen, started getting deleted one by one. They cannot handle the truth. They cannot handle Muslims speaking clearly about Tawheed, about the Khilafah, about Palestine, about what is happening to our Ummah. So they silence us.

This is a test from Allah. I have had maybe 20 accounts on TikTok. All of them were banned. Every single one. My first account had over-under 6,000 followers. Deleted. I started again. I rebuilt it. I reached 600 followers. Deleted again.

Wallahi, I am not sad for the followers. I am not sad about the numbers. I am sad because all of the content that we made, all of the videos that we worked on, all of the reminders and the truth that we shared, are all gone. Deleted. Erased. And my friends that I made online, the brothers I was talking to constantly, they are all gone too. Will I find them again? Will they find me? Allahu a'lam.

This happened before. When my first account got deleted, I almost could not find my friends at all. I found five or six of them. The rest were gone. Subhanallah. This is how they break us. They do not just delete the content. They break the connections. They isolate us. They make it harder for us to organize, to spread the message, to stay in contact.

But this is Allah testing us. And we will continue. I made this account now, and for safety, I will make two other accounts. I have to. Because they will delete again. They always do. But every time they delete, we come back. Every time they silence us, we speak louder.

Allah says in the Quran:

يُرِيدُونَ أَن يُطْفِـُٔوا۟ نُورَ ٱللَّهِ بِأَفْوَٰهِهِمْ وَيَأْبَى ٱللَّهُ إِلَّآ أَن يُتِمَّ نُورَهُۥ وَلَوْ كَرِهَ ٱلْكَٰفِرُونَ

They wish to extinguish Allah's light with their mouths, but Allah will only allow His light to be perfected, even to the dismay of the disbelievers. (Surah At-Tawbah, 9:32).

They can delete our accounts. They can ban us from their platforms. They can try to silence the truth. But they will never extinguish the light of Islam. Allah will perfect His Light, whether they like it or not, with us or without us. We are only one among millions who strive in His cause. Remove one of us, and a thousand will rise. Remove a thousand, and ten thousand will rise. Because this Light does not belong to us, it belongs to Allah. If you erase the stars from the sky, do you not know that we are the sun and the moon? Extinguish a thousand lights, yet the dawn will still break. For the sky of truth does not go dark, Allah perfects His Light, whether they like it or not.

The Prophet Muhammad, peace be upon him, said:

"*This matter will certainly reach every place touched by the night and day. Allah will not leave a house or residence but that Allah will cause this religion to enter it, by which the honorable will be honored, and the disgraceful will be disgraced. Allah will honor the honorable with Islam, and he will disgrace the disgraceful with unbelief.*" (Musnad Aḥmad 16957).

Islam will spread. The truth will reach people. No matter how many accounts they delete, no matter how much they censor, the message of Tawheed and the call for the Khilafah will continue.

They delete us because they fear us. If we were not a threat, they would leave us alone. If our message was not powerful, they would not care. But they know that when Muslims speak the truth clearly, when we call for unity under the Khilafah, when we expose the lies of the oppressors and the weakness of the puppet rulers, people listen. People wake up. And that terrifies them.

So they bought TikTok. They took control of the algorithm. They started banning anyone who speaks too clearly, anyone who names the enemy, anyone who calls for real change. This is systematic. They are targeting the brothers who speak with courage. They are deleting the accounts that spread the truth about Palestine, about the Ummah, about what needs to happen for Muslims to be strong again.

But here is the reality. They can delete the accounts, but they cannot delete the ideas. The ideas are out there now. The brothers who saw the videos, who read the posts, who learned the truth, they are still there. The message has already reached them. And they will carry it forward even if we are silenced.

This is the way of the believers. We are tested.

Allah says:

أَحَسِبَ ٱلنَّاسُ أَن يُتْرَكُوٓاْ أَن يَقُولُوٓاْ ءَامَنَّا وَهُمْ لَا يُفْتَنُونَ وَلَقَدْ فَتَنَّا ٱلَّذِينَ مِن قَبْلِهِمْ ۖ فَلَيَعْلَمَنَّ ٱللَّهُ ٱلَّذِينَ صَدَقُواْ وَلَيَعْلَمَنَّ ٱلْكَٰذِبِينَ

Do people think once they say, "We believe," that they will be left without being put to the test? We certainly tested those before them. And ˹in this way˺ Allah will clearly distinguish between those who are truthful and those who are liars." (Surah Al-Ankabut, 29:2-3).

This is the trial. Will we give up when they delete us? Will we stop when they ban us? Or will we keep going, keep making accounts, keep spreading the truth no matter how many times they try to silence us?

The answer is clear. We keep going. We will make two accounts now. If they delete them, we will make 10 more. If they delete those, we will make 100 more. They can play this game forever, but so can we. And every time they delete us, it only proves that we are speaking the truth. Because falsehood does not need to be silenced. Only the truth is censored.

To the brothers who lost their accounts, to the ones who are reading this and thinking about giving up, do not stop. Make a new account. Find your brothers again. Keep posting. Keep

speaking. The work is not done. The Ummah needs to hear the truth. They need to know about the Khilafah. They need to understand that the current system of division and weakness is not permanent, and that Allah has promised us victory if we work for it.

And to the ones who control these platforms, who think they can stop the message of Islam by deleting accounts, know this. You will fail. You have always failed. Islam spread when the Prophet, peace be upon him, was persecuted. It spread when the Sahabah were tortured. It spread when the Muslims were weak and outnumbered. And it will spread now, even if you delete every account, ban every platform, and censor every voice. Because this deen is from Allah, and Allah does not lose.

As-salamu alaykum. This is our new account. Follow it before they delete this one too. And if they do, look for us again. We will be back. We will always be back. Because the truth cannot be deleted.
